**A man visiting a farmer noticed two dogs that were fighting in the yard.
When he mentioned it to the farmer, the response was,
“Yeah, one’s a good dog and one’s a bad dog, and they fight every day.”
The visitor then asked, “Which one usually wins?”**

The answer: “The one that gets fed.”

Here are some opportunities over the summer that will allow you to see that your relationship with Jesus gets fed:

Worship

Our worship services will continue at 8:30 and 11:00 through the summer. What a great chance to experience God with others!

We will be continuing through *The Story* . . . a “heads-up”:

We’re done with the Old Testament on June 19 and will begin looking at the life of Jesus on June 26!

Small Groups

Whether it’s winter or summer, the fellowship that a small group provides and the chance to process and apply what we’ve been learning from *The Story* is an integral part of our relationship with Christ.

Life Training

We’ll continue with Life Training at 9:50 a.m. on Sunday mornings. What a great opportunity to get more input and help in our relationship with Christ. Life Training for younger people will continue with *The Story*, and for adults we have the chance to improve our ability to answer some of the questions that people have about faith in Christ!

Serving

You are the light of the world. A city on a hill cannot be hidden.
Neither do people light a lamp and put it under a bowl.
Instead they put it on its stand, and it gives light to everyone in the house.

In the same way, let your light shine before men,
that they may see your good deeds and praise your Father in heaven.

Matthew 5:14-16

**I’d like to encourage you to take some time this holiday weekend and make a plan
for what you’re going to do this summer to make sure your “good dog” wins.**

Let’s enjoy the summer together!
